

# Druck DPI620G Calibrator Trade-Up Promotion

Scotia Instrumentation can offer an exclusive BHGE Channel Partner discount on the Druck DPI620G & DPI620G IS multi-function calibrators.

The DPI620G/IS represents the next generation calibrator. One device has the functionality of multiple conventional test instruments including HART communication.

Interchangeable elements allow system expansion.

the prime source  
of instrumentation  
technology

Advanced Modular  
Calibration System  
The **Elite** range
